SUMMARIES OF TOWN MEETING, 1981

1. Special Meeting May 21

In the absence of the Town Clerk, Kathleen M. Conroy was chosen to serve as clerk for this meeting.

Oral report of Finance Committee — “approved all articles on warrant”.

Article 1. Voted to transfer \$1,500 from the Road Maintenance appropriation balance to the Road Machinery account.

Article 2. A motion to transfer \$11,882.80 from Free Cash to the School Department Account was defeated. (To replace funds expended on the water emergency.)

Article 3. An appropriation for tires for the Highway Department backhoe was voted in the amount of \$540.00 funded by a transfer from the Road Machinery Fund.

Article 4. The meeting voted \$558.00 for repairs to Berkley Bridge, met by a transfer from surplus Revenue.

Article 5. \$3,500.00 was voted for a base station radio for the fire department, funded from surplus revenue.

Article 6. An appropriation of \$750.00 to be added to the Fire Department salaries account was voted from surplus revenue.

Article 7. \$1,100.00 appropriation for Police Department Salary Account was defeated.

Article 8. Amended a vote of a previous town meeting, to read: “To raise and appropriate \$2,750. for the purchase and installation of storage tank and pump for diesel fuel at the highway department garage.”

Article 9. Appropriation for the Fire Department expenses, \$500.00 to be transferred from Surplus Revenue.

Article 10. The meeting voted to close the following accounts to surplus revenue:

Copy machine purchase	\$ 304.00
Ferris land purchase	198.86
Furnace purchase, Council on Aging	189.00
Police Department, radar purchase	701.00
	<hr/>
Total	\$1,392.86

Voted to close out an account to the Road Machinery Fund:

Level and stand, Highway Dept.	\$ 500.00
--------------------------------	-----------

Article 11. Voted to pay unpaid bills of previous years, \$391.73, with a transfer from surplus revenue.

Council on Aging, Church Fuel Co.,	\$ 20.37
School Dept., Taunton Municipal	
Light Plant, 2 bills, 60.95 & 310.41	371.36
	<hr/>
	\$ 391.73

Annual Town Meeting June 1

Article 1. Accepted the Finance Committee report, offered by Chairman Clegg:

To-night we will act on budget requests totaling over \$1,570,000.00. The finance committee recommends any salary increase to be held to 5%. There are some budget increases over 5%. These we have no control over. They are:

Board of Health plus \$5,505.00, contracted

Berkley Group Insurance, plus \$1,000.00

Bristol County Retirement, plus \$5,830.00

Bristol-Plymouth School District, plus \$7,128.00

We would like to thank the school committee who after a lot of hard work came in with a budget of \$16,660.00 less than last year. The final item I would like to discuss is the Stabilization Fund. At the present time there is \$270,000.00 in this fund and drawing 18% interest. We are recommending putting \$40,000.00 in this account to take advantage of the high interest rates. Also if the law is not changed the town will be able to spend only 21½% over what we can spend this year.

We can recommend this amount because last year the town voted over \$40,000.00 to buy a garage and a large piece of land for the highway department and to add to the town cemetery.

Berkley is growing and will continue to grow; the more money we have in the stabilization fund the better off the town will be when we have to make improvements.

Article 2. The meeting voted to accept the reports of town officials as printed in the Annual town report.

Article 3. Authorized borrowing by the treasurer in anticipation of revenue for the fiscal year beginning July 1, 1981.

Article 4. Authorized contracting with the state and county by the selectmen for highway funds.

Article 5. As provided by law, the salaries and wages of all elected officials were set by vote of the town. The appropriations provided therefor follows:

Office	Salaries and Wages	Appropriations provided from property taxes
Moderator	\$ 50.00 yr.	\$ 50.00
Assessors, Board of Chairman 2 members, each @	\$1,050.00 yr. 787.50 yr.	2,625.00
Treasurer	2,625.00 yr.	2,625.00
Tax Collector	2,625.00 yr.	2,625.00
Town Clerk	1,150.00 yr.	1,150.00
Board of Health: Chairman 2 members, each	158.00 yr. 105.00 yr.	368.00
School Committee: Chairman 4 members, each	60.00 yr. 50.00 yr.	260.00
Selectmen: Chairman 2 members, each	596.00 yr. 568.00 yr.	1,732.00
Library Trustees: Chairman only	50.00 yr.	50.00
Auditor	100.00 yr.	100.00

	<hr/>
	\$582.85

Article 6. From property taxes; appropriated for Highway Traffic Control, \$3,000.00.

Article 7. Voted: To hear the presentation of the two Citizen of the Year Awards by the Board of Selectmen, to one man and one woman.

This citizen moved to Berkley when he was 5 years old. He has spent over 55 years here.

He has served in the armed forces during World War II. He was a member of the garden club. He worked on the very first flower show given by the Club. As the father of 3 (2 boys and 1 girl) he worked with the town's young boys as a Scout leader. It must be noted that this year after several years of dedicated service, he retired from the veterans memorial committee.

This year's town official award goes to Stanley Trond.

This year's citizen has been termed by Mr. Canuel, Principal of Berkley's School, as "The most conscientious, hardworking, unselfish person I know of in Berkley." This person has lived in Berkley for 24 years. Durng this time she has been involved with the P.T.A., P.T.O., Brownies, Girl Scouts. The Scholarship foundation and the athletic association.

Six of her best accomplishments are her children.

1 is a graduate of Stonehill College.

1 is an electrician.

1 is serving in the Coast Guard in Europe.

1 is a Junior in the University of Florida.

1 is a sophomore at Johnson and Wales.

the last child is studying cosmology.

She is seen almost every day in her small hatchback car delivering the U.S. Mail. Our 1980 Citizen of the year, Doris Gracia.

Article 8. TABLED: Authority to vote on a by-law recall of elected officials.

Article 9. Voted to direct the Selectmen to petition the General Court for authority to adopt a by-law for recall of elected officials.

Article 10. TABLED: To see if the Town will vote to amend Article 9 of the Town By-Laws by adding the following section 10.

No person shall consume any alcoholic beverages, as defined by General Laws, Chapter 138, Section 1, in any public way, town park, town cemetery, public school building or land, or any recreation area under public control, except during such times as a special license may be issued for such place. Any person violating this By-Law shall be subject to a fine of not more than twenty-five dollars (\$25.00) and may be arrested without a warrant by a Police Officer.

Article 11. Voted: To appropriate the sum of \$1,500.00 as the Town's Share of money to Chapter 90, Highway Construction Account, Contract Number 28846.

Special Town Meeting

November 19, 1981

Article 1. Voted to transfer \$500 from the Summer Crafts Program for the Election Account.

REPORT OF STATE AUDIT

To Board of Selectmen:

We have examined the financial statements of the town of Berkley, Massachusetts for the year ended June 30, 1980, and have issued our report thereon dated May 27, 1981. As part of our examination, we made a study and evaluation of the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purposes of such evaluation are to establish a basis for reliance on the system of internal accounting control in determining the nature, timing and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements and to assist the auditor in planning and performing his examination of the financial statements.

Our examination of the financial statements made in accordance with generally accepted auditing standards, including the study and evaluation of the town's system of internal accounting control for the year ended June 30, 1980, would not necessarily disclose all weaknesses in the system because it was based on selected tests of accounting records and related data. However, such study and evaluation disclosed the following weaknesses that we believe should be brought to your attention.

Because this report deals only with areas of internal control and operating procedures which need improvement, it may appear to portray a one-sided picture of the town's operations. We wish to point out that we found many favorable aspects of the town's operations and accounting systems. However, the main objective of the report is to point out areas of concern that we feel should be corrected.

GENERAL

1. The internal control system of the town shows weaknesses, in that the town treasurer is also the collector and accounting officer. Notwithstanding the integrity and dedication of the individual involved, the present internal control system is not designed to enforce the separation of duties which could lead to a serious breakdown in effective internal control.

We recommend that the town consider the appointment of a town accountant in accordance with General Laws, Chapter 41, Section 55. In our judgment, the audit findings justify such an appointment as being necessary to ensure a good internal accounting control system.

2. An examination of the financial statements shows an overdraft of \$1,174 in the police department appropriation. This overdraft violates the provisions of General Laws, Chapter 44, Section 31, which reads in part, "No department financed by municipal revenue, or in whole or in part by taxation, of any city or town, shall incur a liability in excess of the appropriation made for the use of such department, except in cases of extreme emergency involving the health or safety of persons or property."

TOWN COLLECTOR

1. The schedule of motor vehicle excise included on page 24 shows uncollected amounts dating as far back as 1971. While recognizing that there are problems in collecting motor vehicle excise, there are legal remedies at the disposal of the collector to effect payment. We recommend that a formal plan for an aggressive follow-up of these overdue amounts be immediately prepared and adherence to this plan be continually monitored. We also recommend that once these collection procedures are instituted and accounts are found to be uncollectible, consideration then should be given towards applying for the abatement of such accounts under General Laws, Chapter 58, Section 8.

TREASURER

1. The check signing machine and signature plate are not stored in a locked area when not in use, thus making them accessible to unauthorized personnel. Although this weakness is minimized by placing the financial stationery and the key to the check signing machine in a secure area, we recommend that the check signing machine and signature plate be locked in a vault when not in use.

2. The general Ledger, journal and treasurer's cash book are not stored in a secure area. We wish to emphasize that the present facilities are inadequate to house these records. The preservation of these records is essential to ensure that

the financial activities of the town will be promptly monitored.

3. No references are made in the treasurer's cash book which connect bank deposits to cash receipts for a particular period. Also, it was difficult to establish a correlation between the deposits on the bank statement and those records in the cash book. We recommend that all bank deposits represent receipts for a certain period as shown in the cash book. We further recommend that at the end of each month all cash on hand in the custody of the treasurer be promptly deposited in order to facilitate the reconciliation of monthly receipts and deposits.

4. The treasurer presently has custody of 90 cemetery trust funds which are individually invested and earn a small amount of interest. We recommend that the treasurer consider combining these funds for the purpose of making a single investment producing a higher yield of income.

ACCOUNTING OFFICER

1. The accounts in the general ledger are not numbered or otherwise identified. We recommend the implementation of a numerically indexed chart of accounts to improve the audit trail and to provide a quick reference for locating specific accounts.

2. Standard transfer forms are not used in the approval of transfers from the reserve fund. There are also instances when the signatures of the finance committee appear in the middle of a page with the transfers showing above and below their signed approval. This gives the appearance that these transfers may not be properly authorized. We recommend the implementation of a standard transfer form to be used for all reserve fund transfers submitted to the accounting officer.

3. Presently, the accounting officer does not prepare a monthly trial balance. Monthly trial balances provide the accounting officer with a greater degree of control over general ledger account balances. We recommend that the accounting officer make use of an appropriation control account in the ledger which will facilitate the drawing off of a trial balance.

4. The accounting officer does not submit monthly appropriation statements to the individual departments of the

town. Failure to submit these statements contradicts the objective of Section 58, Chapter 41 of the General Laws which prescribes certain duties of an accountant. We recommend the accounting officer comply with said section and submit such statements on a monthly basis.

5. Not every department submits to the accounting officer a list of unpaid bills. This failure to report to the accounting officer again contradicts the objective of Section 58, Chapter 41, General Laws. We recommend the accounting officer inform these town departments that at the close of the fiscal year they must furnish him with a list of bills remaining unpaid, showing to whom and for what due, and their amounts.

ASSESSORS

1. Although the board of assessors properly submit a monthly list of abatements to the accounting officer, and furnish warrants to the collector, proper documentation of such actions is not maintained in the board's office files. We recommend that carbon copies of photocopies of such documents showing proper authorization be included in the office files.

2. The board of assessors do not issue bills for repair plates on the motor vehicle excise levies. There are approximately 50 repair plates issued in the town of Berkley as per the state list which is submitted each year. We recommend that the board of assessors make a diligent effort to include the assessment of such items as a source of additional revenue.

SCHOOL DEPARTMENT

Open purchase orders which we examined could not be traced to the corresponding encumbrance entries recorded on the computer print-out sheets.

We recommend that these records be reviewed periodically to ensure that all unencumbered amounts are supported by proper documentation.

UNIFORM MUNICIPAL ACCOUNTING SYSTEM

The Commonwealth is currently in the process of revising the accounting principles now in effect for the municipalities, the main purpose of which is to bring these principles more into conformity with Generally Accepted Accounting Principles (GAAP). These revised principles will be a combination of GAAP as described in a publication entitled "Governmental

Accounting, Auditing and Financial Reporting" (GAAFR) published by the National Committee on Governmental Accounting (NCGA), the 1980 edition, and the Uniform System which is currently in effect for Massachusetts cities, towns, and districts, having been established under Chapter 44 of the General Laws of the Commonwealth.

This revised system will be known as the "Uniform Municipal Accounting System" (UMAS) and its main thrust will be to establish a series of funds and group of accounts, similar to those as presented to the updated publication of G.A.A.F.R. in order to facilitate the preparation of more meaningful financial statements and reports. We recommend that you familiarize yourself with the aforementioned system.

Our examination uncovered other minor weaknesses in the accounting internal control system that we considered to be immaterial and accordingly did not affect the nature, timing or extent of our substantive testing.

The foregoing conditions were considered in determining the nature, extent and timing of audit tests we applied in our examination of the financial statements and this report does not modify our financial report dated May 27, 1981.

During our evaluation on the town of Berkley's internal control system, the aforementioned weaknesses were discussed with town management personnel responsible for that particular accounting function. In this regard, we would appreciate receiving, at your earliest convenience, any thoughts you may have with respect to implementing our recommendations and a proposed timetable for same.

In conclusion, we wish to take this opportunity to thank you for your cooperation during the course of our audit and should you wish to discuss the contents of this report, assistance in the implementation phase of the financial statements, we will be pleased to meet with you at a mutually convenient date and time.

Sincerely,

(s) HARVEY J. BETH

BOARD OF REGISTRARS OF VOTERS

The expenses of this Board for the fiscal year ended June 30, 1981 came to \$1,146.27, broken down as follows:

Salaries of Board Members

Clara F. Ashley	\$ 75.00
Catherine Westgate	75.00
Marion I. Westgate	75.00
Francis F. G. Andrews	50.00

Salaries of Street Listing

Mary H. Bourque	200.00
Evelyn L. Marshall	200.00
Catherine Westgate	200.00

Other Expenses

Copies	2.60
Postage	19.35
Supplies, Hobbs & Warren	249.32

\$1,146.27

Ours is the official street listing as provided by law, covering all residents ages 3 and over as of January 1 of each year. As of January 1, 1981 we listed 2,596 such persons in Berkley. We do this listing by phone, by personal call, or even by mail when we cannot locate someone. We thank the great majority of residents who cooperate with us, and help make our job in the main a pleasant one. Our six most thickly settled streets are the same as those of the past couple of years:

Berkley	324	Padelford	159
Bay View	199	Myricks	134
Jerome	171	South Main	115

As of December 31, 1981, 1,367 persons were registered as voters in Berkley. Of these, 357 were enrolled Democrats, 231 enrolled Republicans, and 779 unenrolled.

Special registration sessions are held before each and every town meeting and election. Notices of these are posted a number of days prior to the closing dates for registration for these events. However, any resident may register during the town clerk's office hours in the library basement; 1 to 4 p.m. Monday through Friday, also 6 to 8 p.m. Thursdays. (except holidays, of course). A person may register even though registration has closed for a certain meeting or

election, but in cases like this the registration is not effective until **after** the meeting or election is held.

Yours for better government,

MARION I. WESTGATE, Chairman
CLARA F. ASHLEY
CATHERINE WESTGATE
FRANCIS F. G. ANDREWS, Clerk

CEMETERY DEPARTMENT

1981, for the cemetery department, was a year of indoctrination, of learning, of frustrations.

The department acquired a new high rear wheel hand mower, and a gasoline operated wire trimmer; a small shed for storage of equipment was made available through the courtesy of Mr. Rose, Highway Surveyor. More space is probably necessary, especially if the purchase of a decent riding mower is agreed to by the town.

A town vote transferred funds for the repair and rebuilding of the front wall, along North Main Street; the funds involved being the Post-War Rehabilitation Fund and the Giles Leach Fund. Chapter 5 of the Acts of 1943 authorized the setting up of the Post-War Fund, and the restrictions on its use made necessary the obtaining of the approval of the project by the State Emergency Finance Board. The approval was received in mid-summer and the project should be completed in 1982.

As originally laid out, there were a number of roadways in the cemetery giving access to rear lots, without damaging front lots. Over the years, however, it appears that these roadways have been sold as lots; and this is where the inadequate record keeping over the entire existence of the cemetery becomes a factor, a cause of frustration in determining grave sites, lot corners, etc. For the past couple of years no lots have been sold, none being defined as available.

In 1982 we hope to make progress in the area made available to us this past year for cemetery purposes; determining the perimeters, make provisions for roadways, grading, filling, clearing, and the like.

FRANCIS F. G. ANDREWS, Chairman

ANNUAL REPORT OF THE SOUTHEASTERN REGIONAL PLANNING AND ECONOMIC DEVELOPMENT DISTRICT

TOWN OF BERKLEY

During 1981 the Town of Berkley continued its membership for the twelfth year in the Southeastern Regional Planning and Economic Development District. SRPEDD is a planning and economic development agency formed under state law to serve twenty-eight communities in southeastern Massachusetts by providing a cooperative approach to regional issues.

The District is governed by a Commission consisting of a chief elected official or designee and a planning board representative from each participating municipality and six low-income and minority representatives. Berkley's Commission representatives from the Board of Selectmen and Planning Board, respectively, are Lawrence Wilson, and S. Kenneth Woodward who is the Treasurer for the SRPEDD Commission as well as a member of the Executive Committee, and the Zoning, Land Use and Environmental Planning Committee for the SRPEDD Commission.

In addition to regional planning and economic development, SRPEDD assists member cities and towns. Through the free municipal assistance program, each community receives time for local projects and assistance in preparing applications for federal and state funds.

The agency's purpose is to plan for regional land use, economic development, housing, transit, transportation, solid waste, energy resources and conservation, and air and water quality. Local participation in these regional plans enables communities to be eligible for federal and state dollars.

Services to Berkley this past year included:

- Preparing a **Business Zone Feasibility Study**;
- Commenting on Berkley-Dighton bridge replacement proposal; and
- Commenting on the town's subdivision regulations.

Regional plans and other activities conducted this year benefiting all communities include:

- **The Overall Economic Development Program (OEDP)** which makes member communities eligible for U. S. Economic Development Administration funding and a 10 percent bonus for public facility projects.
- **The Transportation Improvements Program (TIP)** which lists major projects in each community for federal and state funding. A project must be included on the TIP in order to be eligible for these funds.
- **A Housing Conversion and Rehabilitation Program** funded with bonus money provided to SRPEDD by the U. S. Department of Housing and Urban Development. The program will provide grants to establish approximately 25 new housing units in existing structures throughout the region.
- **The Transportation Energy Contingency Plan** which recommends a number of local and regional actions in case of a gasoline emergency.
- **Several conferences:** SRPEDD co-sponsored a Water Symposium in Bridgewater, Hazardous Waste Workshops in Fall River and New Bedford, and an Economic Development Conference in Brockton; and conducted Energy Conservation and Waste Heat Utilization Workshops.
- **SRPEDD also conducts "A-95" and environmental assessment reviews of state and federally funded projects; reviews of industrial revenue bonds; and reviews of all local zoning amendments.** The reviews are advisory and are oriented toward making proposals more cost-effective and feasible.

SRPEDD represents the collective will of its member communities. As the responsibilities and problems of municipalities become increasingly complex, the District can provide technical assistance to local boards, encourage cooperation among communities, and provide a comprehensive approach to issues that cross local boundaries.

SELECTMEN'S REPORT

During 1981, the Town of Berkley has continued to progress as it has during the past few years. The Fiscal Year 1982 began on July 1, 1981 and is our first official year under Chapter 580 (Prop. 21½). Although there was some confusion and a lack of direction from the Commonwealth of Massachusetts before the Annual Town Meeting was held, Berkley financing did very well. We believe that Berkley has survived Prop. 21½ because Berkley has always practiced the fiscal restraints of Proposition 21½ during the past years.

There have also been changes in other areas such as the Bristol County Budget that is now under the complete control of the County Advisory Board, consisting of the Mayors and Chairman of the Board of Selectmen of all the Cities and Towns in the County. In Fiscal '83 we foresee no increase in the County Tax and County Retirement Assessments.

During 1981 one member of our Board (Ann Fournier) had to resign due to accepting a full time teaching position in the Town. This resulted in an Election on December 5th and Byron R. Holmes was elected to fill this vacancy.

We also received notice that Mrs. Marietta Fournier, who has faithfully served as Fire Dept. dispatcher since 1953, had decided to retire as of December 31, 1981. We wish to sincerely thank Mrs. Fournier for her many years of faithful service.

In December, it was voted to hold a Special Town Meeting to establish a full time Communication Center for Police, Fire, Highway or any other department needing assistance. We believe this is a positive step forward in providing more efficient Police Protection to the entire Town of Berkley.

We, the Board of Selectmen, have been honored to serve the Citizens of Berkley this past year. We hope to do this again next year and look forward to continued communication and cooperation from all the Citizens of Berkley.

Respectfully submitted,

GEORGE A. MOITOZA, Chairman

BYRON R. HOLMES

ARTHUR P. MILLER

DOG OFFICERS ANNUAL REPORT

18 Stray dogs were picked up and confined for the required 10 days.

21 Dead dogs and 5 cats were disposed of.

Responded to 28 dog complaints and 3 dog bites.

May I remind the people of Berkley it is a state law that all dogs be licensed. Licenses are valid from April 1st to March 31st. Licenses and tags may be obtained from your town clerk, Mr. Andrews. Your dog tags also aid the dog officer in the recovery of a stray or injured dog.

Respectfully submitted,

ANTONIO M. FERNANDES
ROY BUSSE

DEPARTMENT OF CIVIL DEFENSE

To the Residents of the Town of Berkley:

Serving as your Civil Defense Director for a fourth term has been my privilege; especially since the department has had a very busy year.

The Crisis Relocation Plan that was started in the previous year has been successfully completed and also accepted by the Commonwealth. To refresh your memory as to this plan, it is the plan that was designed to be used if ever it was necessary to evacuate the town residents due to an emergency such as a nuclear attack.

The final stages in setting up the diesel generator has been reached. This generator was purchased last year and will be used as emergency power source for the Junior High School Building and the Berkley Fire Station at the Berkley Common.

Once again this year, it was necessary to borrow a water tank from the Town of Bourne. This was accomplished in order to be able to provide drinking water for residents of the Myricks section whose wells have been found to be contaminated but not condemned. Use of this water source for those unfortunate residents had to be curtailed as the winter weather set in due to freezing of the water. Again a thank you to the Town of Bourne for their cooperative assistance and generosity.

The department was ready and pleased to be able to serve during the December 1981 blizzard. During the extended period of lack of power in the area, it was brought to the department's attention that many town residents did have access to generators. However, in some cases, the generators were inoperable for lack of knowledge of the unit or merely due to the lack of any person being available to operate same. If you have a generator, please let the department know if you need assistance either in its operation or preparation to be operable. Why not call the department now before an emergency exists in order that the problems with your equipment may be resolved.

As director of the Civil Defense Department, I would take this means to personally thank you for the opportunity to serve the Town of Berkley and for your confidence in this

department. This department has been most successful this year due to you as residents in calling upon the department but also due to the continued cooperation of all other town departments.

The Civil Defense Department is ready to serve the residents of the Town of Berkley whenever and however it may be necessary.

BRIAN W. PERRY,
Director

REPORT OF THE FIRE DEPARTMENT

To the Board of Selectmen:

As Fire Chief, I submit the following report for the year 1981.

During the year the Fire Department responded to 141 calls, buildings, 29; brush and grass, 45; motor vehicles, 17; miscellaneous, 29; illegal burning, 18; mutual aid to Freetown, 1; Taunton, 1; Dighton, 1; from Freetown, 1; from Lakeville, 1.

Ambulance responded to 109 calls for assistance. Morton Hospital, 47; other area hospitals, 22; auto accidents, 13; home and resthomes, 5; miscellaneous, 15; mutual aid to Freetown, 3; Dighton, 4; mutual aid from Freetown, 1.

I wish to thank the Firefighters, Police Department, and all others who helped me carry out the duties of this office.

Respectfully submitted,

JAMES BARROW, Fire Chief

ANNUAL REPORT
BERKLEY SOIL CONSERVATION BOARD

January 28, 1982

Berkley Board of Selectmen
Mr. George Moitoza, Chairman
Selectmens Office
Berkley, Massachusetts 02780
Mr. Chairman and Members:

The Berkley Soil Conservation Board consist of the following Members:

John Fernandes, Chairman
George Moitoza, Member
Arthur Miller, Member
Byron Holmes, Member
Raymond Rose, Member
Anthony Rose, Member

Six gravel removal permits was granted by the Berkley Soil Conservation Board for 1981. Owner of pit, operator, and locations follows:

K. R. Rezendes, Inc. of 1 Sammy Lane, Assonet, Mass.; pit location: Rte. 79, Myricks, K. R. Rezendes operator.

McCabe Sand & Gravel Company of 120 Berkley Street, Taunton, Mass.; pit location: Berkley Street, Berkley. Robert Murphy, operator.

D. T. Moitoza of 81 Bay Road, Norton, Mass.; pit location: Bryant Street, Berkley, D. T. Moitoza operator.

Francis V. McCrohan of Bayview Avenue, Berkley, Mass.; pit location: Bayview Avenue, Berkley. Kir-Pac Construction Corp., Raynham, Mass. operators.

Calvin Overlock of 120 Padelford Street, Berkley, Mass.; pit location: Hill and Padelford Streets, Berkley, Gilbert "Sonny" Lopes of Taunton, Mass. operator.

Elmer Chamberlan of Friend Street, Berkley, Mass.; pit location: Friend Street, Berkley, Gilbert "Sonny" Lopes of Taunton, Mass. operator.

All gravel removal permits expire the 1st of November of the year of issue. A new application must be filed each year for a renewal of the permit. The Board meets and reviews each application in detail before a renewal permit for the coming year is granted. All pits are inspected before the renewal meeting is held. Any questions regarding the pit and application the applicant is requested to appear before the Board.

All gravel pits are under a constant supervision by the Board Members. to see that the Rules and Regulations of the Town of Berkley By-Laws are followed.

ALL gravel removal permits are Non-transferrable and Non-resaleable.

Respectfully submitted,

JOHN FERNANDES, Chairman

EDITH A. ROSE, Secretary

ANNUAL REPORT OF THE PLUMBING INSPECTOR

To the Citizens of the Town of Berkley:

I would like to submit the following report for the year 1981.

There were 22 permits taken out for plumbing installations in the Town of Berkley in 1981. The total income from these permits was \$357.00. The plumbing inspector received \$335.00 leaving a balance of \$22.00 for printing, mailing costs, etc.

The inspections were carried out with no problems or complaints.

I would like to take this opportunity to thank the members of the Board of Health and the building inspector, Mr. Irving Wallace, for their cooperation in assisting me to do my job.

Respectfully submitted,

DONALD E. FRENCH,

Plumbing Inspector

PLANNING BOARD

Board of Selectmen
Town of Berkley
RFD
Taunton, MA 02780

Dear Sir:

The following is the Annual Report of the Planning Board for the year 1981.

During the calendar year 1981, the Planning Board reviewed and signed 13 plans depicting a total of 52 lots of land not requiring approval under the Subdivision Control Law.

The Planning Board initiated a study of alternatives for replacing the Berkley-Dighton Bridge, sponsoring a discussion of the SRPEDD study attended by 22 townspeople. We look forward to working with SRPEDD in trying to reach a consensus with the people of Dighton and the State DPW on the future of the bridge.

The Planning Board reviewed plans for the development of the Berkley Airport property and contracted with SRPEDD for a study of the Myricks area to determine the feasibility of such business development. The study concluded that the area was appropriate for business and offered suggestions for zoning regulations.

The Planning Board developed a zoning map and new zoning regulations which were presented at a hearing in October attended by 40 townspeople. As a result of this hearing, changes were made and a zoning article is expected to be presented to the voters in the Spring of 1982.

Planning Board meetings are held in the basement of the town library on the first Monday of each month. We urge all interested townspeople to attend.

Respectfully submitted,

S. KENNETH WOODWARD, Chairman
JUDITH WILSON, Clerk
THEODORE F. LIPPOLD
HOWARD B. NEWTON
ANTHONY T. ROSE

BERKLEY BOARD OF HEALTH ANNUAL REPORT

January 27, 1982

Berkley Board of Selectmen
 Mr. George Moitoza, Chairman
 Selectmens Office
 Berkley, Massachusetts 02780

Dear Mr. Chairman and Members:

Regular monthly meetings of the Berkley Board of Health were held on the first Thursday of each month, at the Berkley Junior High School, at 7:30 p.m.

During the monthly Board of Health meeting held on June 4, 1981, reorganization of the Berkley Board of Health took place. The results of that meeting are as follows:

John Fernandes, Chairman
 Mary S. Flint, Clerk/Member
 William Cabeceiras, Member

During this same meeting the following appointments were made:

Animal Inspector	George W. Bigelow
Town Physician	Charles M. Souza, M.D.
Well Inspector	I. Frank Wallace
Plumbing Inspector	Donald French
Gas Inspector	Donald French
Burial Agent	Francis Andrews
Sanitary Inspector	John Fernandes
Soil Conservation Board	John Fernandes
Special Agent	Edith A. Rose

The Board of Health Members decided to abolish the Assistant Sanitary Inspector position.

Edith A. Rose was rehired to do the Secretarial work for the Board of Health.

The Board of Health did not schedule a Rabies Clinic for 1981. A Rabies Clinic shall be scheduled for 1982. The notice for this clinic, stating the date, location and time will be posted in the local newspapers and broadcast by the local radio stations.

The following permits was issued during 1981 by the Board of Health:

- 0 Campgrounds
- 0 Landfill
- 1 Transfer Station
- 1 Chemical Toilets
- 1 Rubbish Hauling
- 2 Temporary Food
- 4 Needle & Syringes
- 5 Cesspool Cleaning
- 7 Hauling Garbage
- 11 Pig Permits
- 14 Installers Disposal Work

During the December 3, 1981 regular Board meeting the Members, voted to increase the fees on the following permits, which hadn't been increased for twenty (20) years. With Proposition 2 $\frac{1}{2}$ in, this increase step was necessary.

- \$ 5 Chemical Toilets
- 10 Needle & Syringes
- 15 Temporary Food
- 25 Rubbish Hauling
- 25 Cesspool Cleaning
- 25 Transfer Station
- 25 Garbage Hauling
- Pig Permits
 - 10 4 - 20 pigs
 - 20 21 - 50
 - 40 50
- 50 Disposal Work, Installers

The Berkley Board of Health would like to clear up a misunderstanding in regard to Pig permits in the Town of Berkley. The Board has issued in the past and to the present time Permits for Pigs NOT Piggeries.

The Berkley Board of Health Chairman and Members would like to Thank their various appointees for the fine manner in which they performed their duties.

Respectfully submitted,

JOHN FERNANDES, Chairman
MARY S. FLINT, Clerk/Member
EDITH A. ROSE, Board Secretary
WILLIAM CABECEIRAS, Member

REPORT OF THE INSPECTOR OF BUILDINGS

Board of Selectmen
Town of Berkley

In making my visits as Inspector of Buildings during this past year, I have found most construction work to be satisfactory and meeting with the regulations of town bylaws and the minimum standards as set forth by the Massachusetts Building Officials Code Administration (B.O.C.A.). All work found not to be in accordance with minimum standards has since been corrected and all builders are currently complying with standards of acceptance.

Records have been maintained and can be considered accurate to the best of my knowledge through December 31, 1981. A monthly report of building permits issued has been filed with the office of the Selectmen and published in local newspapers.

During the year 1981, the following permits were issued by the Inspector of Buildings:

New Homes	14
Barns, Sheds, Miscellaneous Structures	12
Garages	4
Additions	8
Renovation, Reconstruction	4
Fireplaces, Chimneys, Woodstoves	38
Swimming Pools	3
Solar Hot Water	3
Demolition and Razing	3
Trailer Replacement	1
Temporary Trailer	1
Commercial Buildings	1
Well Construction	11
Sanitation Installation	13
<hr/>	
TOTAL PERMITS ISSUED	116

As can be seen by the permits issued, woodstove and solid-fuel appliance installation permits comprise the largest single area of permit applications. Townspeople should be aware that while such appliances are manufactured under very strict regulations, the office of the Fire Marshal has warned us that improper installation and misuse are the

greatest causes of residential fires in which woodstove and solid-fuel appliances are involved. It is imperative that all units be inspected and cleaned regularly in order to prevent unnecessary and costly fires.

Once again, I would like to thank the various boards and individuals for their assistance in carrying out the duties of this office, especially Mr. John Fernandes, Chairman, Board of Health, and Mr. James Barrow, Fire Chief.

Respectfully submitted,

FRANK WALLACE,

Inspector of Buildings

REPORT OF THE HIGHWAY DEPARTMENT

The Highway Department has shown an improvement in our town's roads. Our intertown roads are in satisfactory condition and the secondary roads are showing some improvement. Road oiling has sealed and preserved them, but has shown little in smoothness. Ninety five percent of the roads are made up of only oil and sand. The town's roads are very thin and flexible.

The department has tried the use of resurfacing with Bituminous Type I asphalt. This resurfacing should be good for fifteen to twenty years. Part of North Main Street was resurfaced with this asphalt, using one hundred percent State Aid money. Parts of Berkley, Main, and Bay View Ave. will be coated in the next two years.

After three years of complaining to the state, we finally had our railroad crossings repaired. Padelford and Myricks Street crossings are all new and are in excellent condition. All four crossings in town have been repaired to state standards. Myricks Street crossing will have lights installed this spring.

Burt Street bridge had to be closed and repaired because of unstable condition of stones. We installed forty feet of aluminum pipe to solve the problem.

One of our substantial investments this year was line striping. Intertown roads were striped by state regulations and safety yellow was used for night driving. Stop and reflector signs were installed at our dangerous intersections.

An addition was built to the Highway Department's building. This building was built by the highway crew and was greatly needed this winter. Below zero temperatures made working conditions almost impossible outside for our help and equipment.

I would like to make a public thanks to the Finance Committee, Fire Department, Police Department, Selectmen, and Treasurer for helping in solving minor problems.

For the past three years the office of Highway Surveyor has been rewarding in serving the town's residents. The Highway Department is proud of its accomplishments and hopes the residents are satisfied in our workmanship. I hope this department will show progress in the future years. The Highway Department is small but it's there when you need it.

Respectfully submitted,

RAYMOND D. ROSE,
Highway Surveyor

COUNCIL ON AGING

To the Board of Selectmen:

The Berkley Council on Aging was established by vote at the annual town meeting in March 1973, in accordance with the provisions of Chapter 40, Section 8B of the General Laws of the Commonwealth, to carry out programs designed to meet the problems and needs of the elderly in Berkley, and in cooperation with the programs of the Executive Office of Elderly Affairs in the Commonwealth of Massachusetts.

Programs accomplished by the Berkley Council on Aging for the past year ending December 31, 1981 are as follows:

1. One free flu shot clinic.
2. Ten full day Health Counseling Sessions (once a month except July and August)—A nurse from the Taunton Visiting Nurse Asso. Inc. checks blood pressure, urine for diabetes, weight and answers any health questions. The Health Sessions are held from 9 a.m. to 1 p.m. on 4th Tuesday of the month.
3. Sponsored a conference to test blood for anemia and sugar diabetes.
4. Continued to provide and distribute Identification Discount Cards.
5. Attended meetings of the Regional Assoc. of Councils on Aging of which we are a member.
6. Participation with the Bristol County Home Care Corp. bringing home care to the Berkley elderly. Services include—homemaking, chore services, Medivan transportation for chronic and long term medical problems. Information on legal services is available.
7. Continue to help individual Seniors with special needs.
8. The Berkley Council on Aging Senior Center is open from 9 a.m. to 4 p.m. Monday thru Friday—Berkley elderly are welcome to drop in anytime during these

hours. The Senior Center is located adjacent to the Myricks Methodist Church at 93 Myricks Street.

9. A branch of the Berkley Library is now located at the Senior Center; a good selection of books that are considered interesting for the elderly may be borrowed at any time when the Senior Center is open.
10. Line dancing lessons were given throughout the year—(a total of 10 lessons). Our dancing teachers are Roger and Claire Vaka, two very good teachers. Come on up you will enjoy them.
11. Improvements were made to our water supply system.
12. The Council on Aging sponsored a luncheon for Senior Citizens in June at Independence Harbor and sponsored "A Night at the Opera" in December at Wheaton College in Norton.
13. The Berkley "Happy Hearts" senior club meets at the center every Monday afternoon at 1:30 p.m.
14. The Berkley Historical Society meets at the center once a month.
15. The Book Club meets at the center several times a year.

We will continue to sponsor the above programs during the fiscal year 1982-1983.

The Council meets twice a month on the 1st and 3rd Wednesday at 10 a.m. at the Senior Center.

The C.O.A. lost 2 members this year—Manuel Botelho passed away and Eleanor Dillingham who resigned for personal reasons. One replacement is Verna Ashley. The Selectmen will appoint another member later.

Respectfully submitted,

HUGH KENWORTHY, Chairman
 MADELYN SCOTT, Vice-Chairman
 ISABELL ROGERS, Secretary
 BERNICE PIERCE, Treasurer
 WYMAN HAWKES
 *VERNA ASHLEY

*New member

**INDUSTRIAL DEVELOPMENT COMMISSION
OF BERKLEY, MASS.**

ANNUAL REPORT

The year 1981 was a year of very little activity. Inflation and the recession (depression) were a big factor towards this inactivity. However, during the year, construction was started for one business, one expansion was made and, according to information received, there will be a new business operating in our area in the very near future.

The new construction will be a self-service gas station being built by the E & R Company at the junction of Rts. 79 and 140. This new station will handle all types of gasoline, including diesel, a fuel that is currently in great demand because manufacturers are building more cars and trucks burning this type of fuel. This new station will be a great asset to the town as it will be the only one of its type in this area. It may also, because of its location, encourage or attract other businesses or industry to locate in our town.

The expansion was made to the Berkley Package Store. This should enable the owner to operate more efficiently and profitably.

Regarding the new business, a favorable report was received about a Needham wholesale distributor seriously considering construction of a new building here. This firm is seventy five years old with a wholesale and shipping operation employing one hundred people. We would welcome this business in our area.

Looking ahead, we predict a strong economy by the middle of 1982 and, after this year's recession, we look forward to a brighter future.

Respectfully submitted,

EDMOND B. ST. YVES,
Recording Secretary

BERKLEY PUBLIC LIBRARY ANNUAL REPORT

Library Hours: Mon. 6-8, Thurs. 10-8, Fri. 2-5

Summer Hours: Mon. 6-8, Thurs. 5-8, Fri. 2-5

Books Circulated: 6,714

New Books: Adult 126—Junior 200

We now have our second set of shelves bought with the money our many friends have put in our little bank on my desk. We decided to use the bank instead of charging for overdue books. This idea has worked very well.

We continue to enjoy having the Junior High School students come on Thursday. Many of these students have volunteered to be library aides. This year Lola Hewitt and Tracy Crow earned their 15 hour pins and Jeffrey Silvia and Bonnie Lawlor and Joe Caron earned their 50 hour pins.

The Bookmobile continues to serve us when they can come. The Inter-Library Loan Dept. at the Taunton Public Library helps supply books that we do not have. They are very efficient and helpful.

The art work over the fireplace has been contributed by the children at the elementary school.

Our lending library with Council on Aging in Myricks continues to thrive. We try to replenish their books monthly.

A warm thank-you to my assistant, Doris Caron, and to the Library Trustees for their support and help throughout the year.

Respectfully submitted,

ELEANOR DILLINGHAM,
Librarian

REPORT OF THE TRUSTEES OF THE BERKLEY PUBLIC LIBRARY

The Board of Trustees meets each month on the third Thursday at 8 P.M. in the Library.

Once again we placed our emphasis on energy conservation. A new furnace, insulation in the attic and the continued cooperation of our library staff and the various town departments using the basement have all combined to decrease our energy use. Continually rising energy rates mandate we continue our efforts.

Another set of bookshelves has been purchased to help us better serve our growing population.

Mrs. Eleanor Dillingham has served many hours outside her scheduled work hours to keep the library running efficiently and we appreciate this greatly. Mrs. Doris Caron assists in her quiet but most knowledgeable manner.

Finally, we wish to thank all of our volunteers, donors and loyal patrons. We would not exist without you.

Respectfully submitted,

IRENE VIERA, Chairman

JUNE MOSKAL

CARLA V. R. LYMAN

REPORT OF THE CHIEF OF POLICE

To the Board of Selectmen:

Gentlemen:

As your Chief of Police I submit the folowing report for the year 1981:

Arrests and Summons	106
M. V. Accidents investigated	93
Disabled Motor Vehicles Assisted	127
B & E (day time)	32
B & E (night time)	23
Thefts, (day time)	11
Thefts, (night time)	37
Stolen Cars Reported	7
Stolen Cars Recovered	28
Miscellaneous Complaints investigated	1,126
Summons Served	53
Pistol Permits Issued	56
Firearm Identification Cards Issued	54
Dogs killed by autos	6
Missing persons reported	14
Licenses suspended (Registry)	2
Vandalism Complaints	79
Auto I D Checks	18
Citations issued	103
Burglar Alarms	131
Show Cause Hearings	19
Juvenile Court Cases	7
District Court Cases	47
Six Man Jury Cases	3

Again I thank the Selectmen, Police Officers, Firefighters, State Police, Registry, and all others for their excellent co-operation in carrying out the duties of the department.

Respectfully submitted,

HAROLD G. ASHLEY,

Chief of Police

TOWN OF BERKLEY
ANNUAL REPORT OF THE SCHOOL COMMITTEE
For the Year Ending December 31, 1981

	Term Expires
Fred Whitehouse, Chairman Macomber St., RFD, Assonet	1983
Francis H. Boudreault Burt St., Berkley, RFD, Taunton	1984
Christopher Ghilarducci Berkley St., RFD, Berkley	1982
Mrs. Laura W. Majcher Berkley St., RFD, Berkley	1983
Robert E. McLeod, Secretary Algerine St., RFD, Berkley	1982

GENERAL INFORMATION

Kindergarten Registration

1. Child must be five years of age or will be five years of age on or before the following January first.
2. A Birth Certificate is required.
3. A doctor's certificate of immunization against diphtheria, pertussis, tetanus, measles, and poliomyelitis, unless exempted for medical reasons, must be presented at registration time.
4. A recent physical examination recorded on the Massachusetts Health Form by the child's doctor must be completed.
5. Following the registration, appointments will be arranged for a hearing and vision evaluation at school.

Health Policies

1. In case of illness, doctor's certificates are only necessary for communicable diseases or if specifically requested by the school.
2. No student will be allowed to bring medications to school unless the school nurse has a doctor's order specifically stating the name of the medication, dosage, time to be given, the student's diagnosis, and the necessity of taking the medication during school hours. The doctor's order should be accompanied by a signed and dated note from the parent requesting the administration of the medication. A final check with the physician will be made by the school nurse.
3. Transportation of a sick child is the responsibility of the parent and only in an emergency will the school provide transportation.
4. Vision and hearing screening tests are conducted annually.
5. Physical examinations are given yearly in grades: Four and eight.

School Hours

The Berkley Elementary School is in session from 9 A.M. to 3 P.M.

The Berkley Junior High School is in session from 7:30 A.M. to 1:30 P.M.

School Notes

When a student is absent from school, he is expected to bring with him a written excuse from his parents explaining his absence.

A request for dismissal before the end of the school day should be made in person or in writing by the parent.

The Principal's Office, located at the Berkley Elementary School is open from 7:30 a.m. to 4:00 p.m.

No School—Stormy Day Information

During the winter when we have snow or ice storms the decision as to whether we have a late start day or no school will be broadcast on the following radio stations between 5:30 and 6:30 a.m.

WPEP Taunton	WARA Attleboro	WSAR Fall River
WALE Fall River	WEAN Providence	WPRO Providence
WJAR Providence	WHJJ Providence	WHIM Providence
WHJY Providence	WSNE Providence	

There could be a "late start day" announcement followed in an hour or so by a "no school day" if there should be a change for the worse in the weather conditions.

Emergency Situations

Parents should be aware that emergencies may arise while students are in school. Due to the emergency, students may be released early. We would place such announcements on the radio. However, all parents may not be notified. It is very important that parents make arrangements for the shelter and supervision of their children in case of such emergencies. Neighbors or relatives should be notified and students should know what to do if parents are not at home.

Transportation

Bus transportation is provided for our students in Grades K-12. Bus rules for students have been established by the School Committee. A student must not abuse the privilege of riding to and from school by misbehavior. The enforcement of bus rules is the responsibility of the bus driver. An infraction of the bus rules will be brought to the attention of the pupil(s) involved by a verbal explanation and warning by the driver. If a verbal warning is not sufficient, the driver will complete a written report. A pupil may be placed on probation if in the judgment of the Principal the student's behavior has been unacceptable. A pupil shall lose his privilege of riding on the bus for serious infraction which affect the safety of the driver and other youngsters on the bus or for acts of deliberate vandalism.

SCHOOL CALENDAR

As Approved by School Committee
1981 - 1982

May 31, 1982—Memorial Day

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Town of Berkley:

I herewith submit my fifth report as Superintendent of Schools.

This report covers the events and activities which occurred during the calendar year 1981. The traumatic events which occurred during 1981 were all related to preparing the budget to implement Proposition 2½. Everyone connected with the school system experienced a very stressful period of time. The budget was prepared by the School Committee according to the mandates of Proposition 2½, the regulations which were promulgated by the Department of Revenue, and the guidelines which were established by local officials. Anxiety and emotions were high when the realities of the required budget reductions were faced by the School Committee and members of the community who participated in the budget preparation sessions. As we approached the town meeting, the confusion surrounding the preparation of the budget to implement Proposition 2½ became very evident. You need only recall the postponements, delays and confusion during town meeting to know whereof I speak.

During this period of time, the six months subsequent to November, 1980, the questions on most everyones lips involved the purpose of Proposition 2½. There were as many different answers as there were questions. As this report is written, the effects of Proposition 2½ have touched everyone in the community in some way. The reduction in local budgets has had the effect of reducing services. Reductions in services means that individuals providing the services must be given reduced hours or be laid off entirely. I believe it is clear to everyone in the community that the school system experienced the severest loss of services. It is my position, as your superintendent of schools, that the services we were providing to your school children during the 1980-81 school year were best described as meeting minimal standards. I ask you to recall that your per pupil expenditures, a good indicator of the level of your educational programs, were below the state average. Therefore, it follows that the pupils in your schools in 1981-82 are not receiving the same level of programs which were presented in prior years. Unfortunately, it will take years for me to document the difference.

As the 80 - 81 school year came to a close, there were indications that the trying times we had experienced as a staff during the first six months of 1981 had the potential to create a cohesiveness that would help us to overcome the problem which we described as a lack of confidence in our schools.

During this six-month period, January to June, the one reality which the faculty found the most difficulty accepting was this apparent lack of confidence the community had in its schools. The percentage of people who voted for Proposition 21½, the small turnout at the budget preparation meetings, the few parents who spoke in support of our programs, and the feelings expressed at the town meetings were accepted as indicators of the lack of confidence. I am very pleased that the staff has responded to that challenge. We are proud of our accomplishments and we have accepted the lack of confidence as a challenge. If you know what is going on in your schools, you, too, will be proud and confident that we are achieving your goals for your youngsters.

Our mission and goals for 1981-82 speak to that challenge.

1981 - 82 MISSION AND GOALS

YEAR THREE

MISSION: To continue development of a true spirit of cooperation and mutual respect within both our schools and our community.

GOAL #1: To generate within the staff increased professional confidence through self-examination, effective communication, and administrative support.

GOAL #2: To improve community awareness of positive aspects of public school education programs.

GOAL #3: To provide appropriate opportunities for community feedback.

The first four months of the 81 - 82 school year, September, to December, have been very productive in our goal attainment. We are working together better than ever before, morale is high, and esprit de corps has never been better. It is too early to tell why we have been able to improve these three very important ingredients found in successful

organization, but it is clear that we have. The next step, acceptance by the parent segment of the community that they have much to be proud of in their schools and that they must be willing to protect it, is well under way. The final step, acceptance by the entire community, is more difficult. I accept, as an indication of the future, the approval by the special town meeting in September of the School Committee's request for \$38,000.00 in additional funds to supplement the 81 - 82 School Budget.

Organization

The central office administration and building principals continue to operate as a team.

As a result of budget reductions, the position of Director of Curriculum held by Dr. Alan Patterson was eliminated. Dr. Patterson found employment as the Director of Curriculum in a neighboring school system in Rhode Island.

The central office administrative staff has been reduced during the past two years from the normal staff of five to three administrators; Administrator of Business, Director of Special Services, and Superintendent of Schools. As a result of the decrease, the combined Union #37/Dighton-Rehoboth School Committees created a Central Office Study Committee to study the current organization. The results of the study will be acted on at a meeting in early January. The report is available in the central office.

In the reorganization plan implemented for 1981 - 82, each building principal was assigned the responsibility for the K-12 coordination of an area of the curriculum that the Administrative Team agreed needed that type of coordination. The program is operating successfully. However, it is an additional responsibility over and above their usual duties.

I call your attention to the report of Mr. Edward G. Canuel, Principal of the Berkley Elementary and Junior High Schools, which follows.

**REPORT OF EDWARD G. CANUEL, PRINCIPAL
BERKLEY ELEMENTARY AND JUNIOR HIGH SCHOOLS**

To:

Joseph C. Harrington, Ed.D.
Superintendent of Schools

I herewith submit my thirteenth annual report as Principal of the Berkley Schools.

Proposition 2½

Budget restraints imposed on your school system due to Proposition 2½ have caused the elimination of certain educational programs: Industrial Arts, Guidance, Activities, Intramurals, and class trips; and the reduction of some other educational programs: English/Reading, Vocal Music, Physical Education, Instructional Aide, and Teacher Aides. All educational programs feel the impact with fewer supplies, audio-visual resources, and instructional equipment. Our buildings, also, will eventually feel the lack of a maintenance budget.

Considering that we have continued our school programs under a 4% budget cap and Proposition 2½ for several years, we are fortunate that the Berkley Schools' educational programs have continued at their present level of excellence. However, as principal, I must make you aware of my concerns for the future. We cannot continue to impose these budget restraints and expect the same educational results from our students and without having our school buildings suffer for lack of maintenance.

Basic Skills

The Berkley Schools implemented the Massachusetts Basic Skills Policy by testing students in grades 3, 6, and 8. As with all cities and towns in the state, we were required to test the ability of our students to read, write, and compute.

The state-wide tests were given because of the general concern over what our students are learning in school. That concern is felt all over the country and Massachusetts is, in that respect, no different from any other state.

Berkley's results indicate that our students can read, write, and do arithmetical processes. Our pupils did show more ability to read and compute than to write. Yet the tests indicated that the vast majority of our students had acquired Writing Skills as well as Reading and Mathematical Skills.

We will be addressing listening skills during this school year and our students will undergo an assessment of their listening skills during the following school year.

School Programs

For the most part, we are still able to meet the needs of our students. We are very proud of this accomplishment.

The 1981 calendar year was an eventful year with several public programs: Art Show, Science Fair, "Your Child in Song", "Alice in Wonderland", "Berkley Students in Concert", "Songs of Nurseryland", and "A Musical Gift" were all super productions from our staff and students.

Our students also participated in many activities and intramural programs in the 1980 - 81 school year. With the advent of the 1981 - 82 school year, however, Proposition 21½ has taken hold and these activity programs have been drastically curtailed. Our students were enriched with such programs as: chess club, pottery club, painting club, etc.; and they enjoyed several intramural sports programs such as: floor hockey, volleyball, basketball, softball, etc. This school year saw the elimination of all of these programs. We will only be able to enjoy our Band, Chorus, Yearbook, and drama programs.

It is certainly our hope that we will not continue to deprive our students of these learning activities in the future.

Renewed Enthusiasm

We will long remember the beginning of the 1981-82 school year as the first year under Proposition 21½. However, this school year has found a new spirit permeating our schools.

The Berkley Junior High School students started this school year by participating in the "Jimmie Fund" Drive. With our own Edward Lussier spearheading and coordinating the drive and with the dynamic personality of Dave McGillivray, our students participated in a Run-A-Thon and raised

more than \$2,000.00 for this fund. This program generated a great deal of enthusiasm among our students as well as being a very worthwhile learning experience.

Since the beginning of this school year, I have contacted nearly 15% of our students' parents. These parents were selected at random. The response of parents was electrifying. They expressed surprise by the evening "Call from the Principal" and indicated to a great degree very positive feelings for our schools.

Our teachers continue to search for enriching programs for our students. We were able to enroll four teachers and two parents in the Great Books Workshop. The Great Books Program is a program of interpretive reading and discussion for students. These leaders will be able to center discussion on problems of interpretation in their classes.

Our Instrumental Music Program has been outstanding. The tremendous response of our students and parents has made this program more successful.

Our entire faculty participated in a Learning Style workshop in October. Teachers were very receptive to the dynamic presentation of Anthony Gregorc.

The Berkley Elementary School Parents' Night received a tremendous response from parents. Parents were able to have conferences with teachers and enjoyed getting acquainted with other parents over refreshments.

"Student of the Month" luncheons continue to receive a positive response from parents.

A greater number of parents take pride in helping our teachers and students as volunteers in the classroom.

The above listing is only a partial indication of a new spirit that exists in our schools this year. We hope that we are able to maintain this enthusiasm and support.

Lunch Program

We began the 1981-82 school year with a great deal of uncertainty. Having increased our lunch prices twice in 1981 (January and September), we knew that the percentage of

students buying the school lunch would decrease. With increased food prices, lower state and federal reimbursements, and fewer government commodities, we had no alternative.

However, with your support and some innovative approaches in our cafeteria, we are ending the 1981 calendar year with a brighter outlook. We cannot relax and feel secure but we do not need to announce a price increase due to monthly deficits. Our school lunch program continues to be self-supporting.

The cafeteria staff deserves a great deal of thanks for their efforts this school year. They have used every conceivable idea to provide a good nutritional meal for our students at the present low meal price. You, parents and students, also deserve thanks for your continued support, understanding, and encouragement.

School—Community Involvement

The first annual School Committee Pancake Breakfast, the Berkley Parent-Teacher Organization Christmas Fair, and the P.T.O. Candidates' Night are samples of outstanding school-community activities.

The Pancake Breakfast was successful and it created a feeling of community spirit that was exciting.

The P.T.O. Christmas Fair was a super success. We are so grateful to the many workers who contributed their time to this memorable community event.

The P.T.O. also sponsored a Selectman's Candidates Night for the December Special Election. It provided a forum for the candidates to express their viewpoints. Mrs. Susan Lopes, President of the P.T.O., was an excellent moderator. The program provided a great service to the community.

The friendly spirit that permeated these activities, the great team effort by our parents, the dedication of the chairpersons and committee members will hopefully continue in forthcoming months. Berkley parents do care. They do get involved.

Conclusion

The Berkley School System can be very grateful for the many contributions of Berkley's service organizations: The Berkley Parent-Teacher Organization for its continued support of its educational programs, the Berkley Public Library Trustees and Librarian for providing our Junior High School students with books and resources, the Berkley Police Association for its contributions to our schools' Christmas parties and music programs, the Berkley Fire Department for helping with our First Aid Program, the Berkley Lioness Club for its contributions, and the Berkley Lions Club for making the Community Center available to our music program. We appreciate the time, effort, and contributions of the above organizations.

My sincere thanks for a successful school year must also be extended to the Berkley School Committee, Dr. Joseph C. Harrington, faculty members, instructional aides, nurse, secretary, cafeteria personnel, janitors, monitors, parent volunteers, and to our student body. It takes many people to make a good school system. Berkley citizens can be proud of their students and all of their school personnel.

Respectfully submitted,

EDWARD G. CANUEL, Principal
Berkley Schools

Conclusion

The adversity created by Proposition 2½ has apparently created a cohesiveness in the school community that has the potential for achievement of our mission and goals for 1981 - 82.

I continue to be proud of our day-to-day accomplishments. I hope it is clear to you that your building principal, Edward G. Canuel, is the individual who is responsible for our day-to-day success.

I give special thanks this year to the central office administrators, James P. Horton and Russell F. Latham, for the extra assignments they accepted as a result of the reduction in the central office staff. The reduction in administrators also placed additional responsibilities on Mrs. Nancy Goulart in her role as office manager. She accepts them, completes them very effectively, thoroughly, and professionally. She makes significant contributions to our success. The other members of the office staff also deserve special commendation for their extra effort. Their work is appreciated but they seldom are given the acknowledgement they deserve.

Due to the efforts and cooperation I receive, my job as superintendent of five different school systems is manageable. Special thanks to the School Committees for their cooperation and understanding.

Respectfully submitted,

JOSEPH C. HARRINGTON, Ed.D.,
Superintendent of Schools

BRISTOL-PLYMOUTH REGIONAL TECHNICAL SCHOOL ANNUAL REPORT—1981

I hereby submit my Fifth Annual Report to the citizens of Bristol-Plymouth Regional School District. The School Committee representing the District is comprised of the following people:

Mr. Richard R. Vincent, Chairman	Taunton
Mr. Frank Moskal	Berkley
Mr. Robert S. Stone	Bridgewater
Mr. Richard A. Ray	Middleborough
Dr. Carmine A. Carucci	Raynham
Mr. Brian Cornell	Taunton

When school at Bristol-Plymouth opened in September of 1981, with an enrollment of 779, we were faced with the most difficult and serious situation in the history of the school. Proposition 2½ severely and adversely affected the educational element at Bristol-Plymouth. A total of \$585,744 was cut from the budget. A total of fifteen members of our educational faculty were not rehired. There were severe cuts in every aspect of the school. The apportionment of net appropriation to member communities was as follows: Berkley—\$52,669; Bridgewater—\$178,302; Middleborough—\$224,327; Raynham—\$151,364; and Taunton—\$601,348. The per pupil assessment to be charged to each community is \$1,351.24.

There has been one administrative replacement appointment at the school, Mr. Albert Palmieri has been appointed as an Administrative Assistant and will be in charge of the student cooperative work and placement program. He will also be in charge of the school safety program and will assist in other administrative areas as needed.

Last year in an effort to upgrade the academic program the school participated in basic skills testing. Those students who failed to meet the basic standards were placed in remedial classes.

Bristol-Plymouth continues to provide special needs programs. The Special Needs department at Bristol-Plymouth Regional Vocational Technical School provides a full range of

special education services to approximately 110 special needs students in grades nine through twelve. Services available include modifications within the regular classroom and shop, resource room classes for all academic areas, related math support, speech therapy, adapted physical education, home tutoring as needed, psychological and achievement testing, and a substantially separate special education vocational and academic program.

Through close cooperation with the school systems of member communities, and active participation by parents in planning efforts, the Special Needs department attempts to meet the current and future needs of the special needs students within the region through constant redefinition of program offerings to meet the changing needs of students.

The R. E. A. D. S. Hearing Impaired Program and the Culinary Preparatory Program are two examples of innovative programming for special needs students which resulted from cooperative efforts among surrounding communities and agency collaboration.

Despite the many adversities which affected the school this year, it was still a good year for applicants. Over two hundred and twenty-five grade nine students remain on a waiting list. The quality of the student has also continued to improve as evidenced by feedback from grade nine teachers. Due to reductions in staff and programs, our overall student population is down from 1980-81. Post graduate population has dropped from one hundred and fourteen to forty students as a result of losing Data Processing and Medical Assistants programs. The undergraduate population has dropped from seven hundred and ninety-three to seven hundred and sixty-six with the freshman class being affected the most. This is an overall decrease of greater than one hundred students.

Fifty-three seniors are presently on Cooperative Work Study as compared to seventy-five last year. This year's Senior class is the largest ever at Bristol-Plymouth; one hundred and eighty-four as compared to one hundred and sixty-one last year. As a result greater demands will be on Mr. Palmieri to find jobs.

Total placement of high school graduates on June, 1981 was 94%. This includes those students who entered the

Armed Forces and those who continued their education. In the post-graduate area, the Licensed Practical Nurse program placed 100%, the Data Processing 77% and the Medical Assistants placed 66%.

Our advisory board continues to offer invaluable assistance in helping us to maintain high standards in vocational education. Their contributions and advice consistently make Bristol-Plymouth an outstanding vocational school in the state.

1981 was a successful and productive year at Bristol-Plymouth. This could only have been achieved through the cooperation of many people and I am thankful for their support.

Respectfully submitted,

DANIEL J. SAUNDERS
